JULY 1982 - ANNOUNCEMENTS

ANNUAL MEETING: The 1982 Annual Meeting of the Ten Mile Lake Association will convene on Saturday evening, August 7, in the Community Building in Hackensack. Light refreshments will be served from 7:30 to 8:00 and at the close of the meeting. Our speaker will be Roger Machmeier, a professor in the Department of Agricultural Engineering, University of Minnesota. One of his specialties is septic systems on which Ten Mile residents rely for sewage elimination. He will spend three days in the Ten Mile Lake area familiarizing himself with our situation. Machmeier conducts short courses on septic systems for the Agricultural Extension Service. Warren Goss, former TMLA president who does most of the regular water testing on the lake, arranged for Machmeier's visit and will introduce him.

ASSOCIATION ASKS FOR SPECIAL CONTRIBUTION: The Association is making a special plea to the membership for additional operating funds -- an urgent appeal for an every-member contribution of at least \$15 (more if at all possible) above the regular \$10 annual dues. The need arises as a consequence of two developments:

(1) Our campaign in opposition to the proposed channel-and-harbor project on lower Long Bay (the Terwilliger proposal) put an unanticipated and heavy drain on the Association's reserves (legal, engineering, expert witness and other costs were approximately \$5,000).

(2) In response to sentiments expressed at last year's annual meeting we have embarked upon an extensive lake testing program. It is intended, when completed, to provide a long-range plan for preserving the lake's water quality. The testing program and subsequent recommendations will cost in the neighborhood of \$10,000.

The Association's officers and directors are counting heavily on the cooperation of members to provide the needed extra funds to meet this year's commitments.

DUES NOTICE: Dues payment of \$10 per family (unmarried children) for the fiscal year August 1, 1982, through July 31, 1983, should be mailed to the Association secretary in the envelope provided. Dues are payable to the Ten Mile Lake Association and are tax deductible. Married children are encouraged to join as well as other relatives who regularly use your lake home. Please return this form with your dues and special contribution by September 1. We are sending your membership card now to avoid the expense of another mailing, but the card is not valid unless we receive your dues payment.
